  - As 501c3 corporations you have power to change, enhance your organization.
  - Money is no longer in the hands of the government. The systems are now set up so that cities must partner with non profits to acquire additional funds. Work with your local city government to find grants that will work for you city and your demographics
  - Our Town NEA Grant
    - We are applying for funds to establish a design committee that will work with legacy designs and city master plans for Lake Elsinore/Wildomar/Perris to create an “arts overlay” in this area.
    - Two year project. If we collaborate we inspire each other. We want our stake holders to be accessible.
    - We need to ask ourselves and our civic leaders “What will enhance your city? Your business, Your life, Your art....
- Civic Leaders
  - Johnathan Skinner stated Lake Elsinore is the fastest growing community in California
  - Marsha Swanson is primarily working with the school district to obtain an old building
