Our event will be in cooperation with the City of Lake Elsinore’s Day Downtown event. If you choose to demo and show your art, there is no cost for the space. **If you will be selling items, the City of Lake Elsinore requires a one-day business/vendor license. The cost is \$14 and you must complete the process at City Hall at 130 S. Main St. A copy of that permit is required with this application but our space is still at no cost. Space will be limited so please complete this application as soon as possible.**

Your items must be handmade, original arts and crafts. We are **not looking** for mass produced items. We also ask that your work displayed or created is in good taste and for a family audience. Each application will be reviewed for appropriateness and we reserve the right to request that some items be removed for sale or display if they are not appropriate. Complete form and email it to [grace@studio395.org](mailto:grace@studio395.org).
